

# TRACT

TORONTO RIDE ACCESSIBLE COMMUNITY TRANSPORTATION

## Referral Program

Provides agencies with information of new referrals, requests and program dates provided by the broker.

- This form provides the agency with all new referrals and rides submitted to the agency by the broker based on the encatchment areas
- The updates client coverage periods are also updated by the broker and sent to the individual agencies to update the program status of the client
- Once refreshed, the referral will be automatically populated in the client database and the ride request will be automatically populated in the ride request database for the user to then action by providing a ride or contacting the client

New referrals: 2									
Added	Client Id	Last Name	First Name	Address 1	Address 2	City	Postal Code	Phone	Import
<input checked="" type="checkbox"/>	12-125036	Smith	George	1526 Millway Road		Mississauga	K7F 3H5	416-661-6675	10/1
